

# Welcome

Please take a moment to complete this short survey about your Marriott benefits that you receive throughout the year, and how they influence your understanding of the benefit programs. Employee feedback is critical, as it helps us shape how we provide communication and programs in the future.

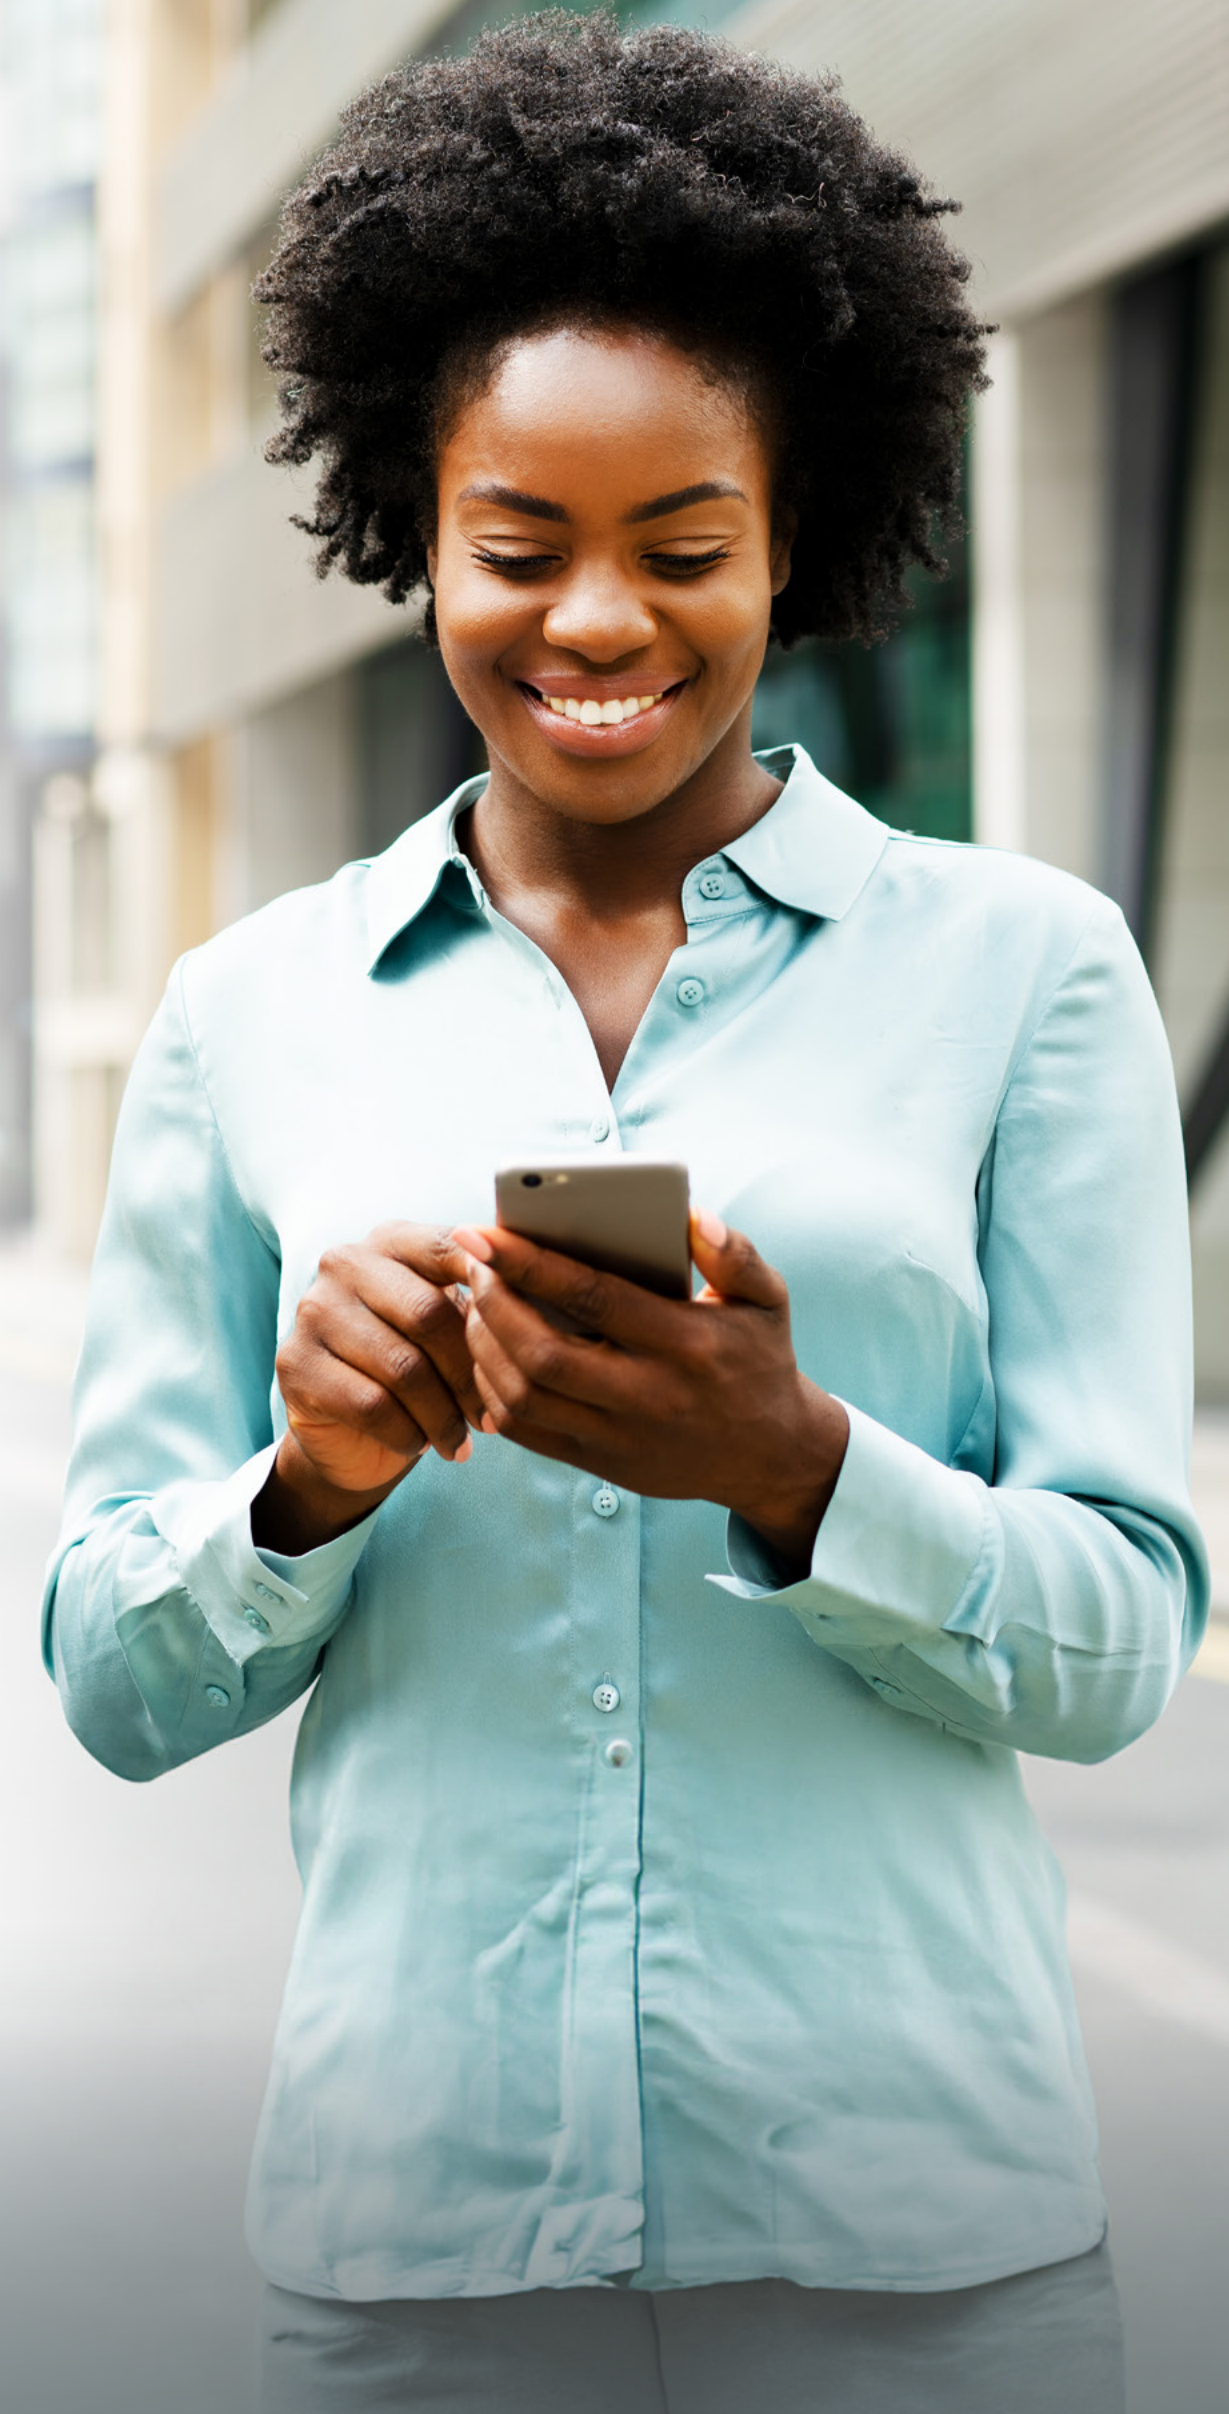

To ensure confidentiality, we have asked Alight Solutions, our third-party benefits administrator and a leading provider of benefits administration, to host the survey. No individual identifying information will be shared with Marriott.

Thank you in advance for your time and input.
